CSci289 Social Implication of Computer Technology
Assignment V

Due Sunday November 13, 2022 @ midnight – Chapter 6.

Provide short answers to the following questions:

1. *List three jobs that have been eliminated due to technology and explain how they were eliminated?*

2. *Do automated systems mean fewer jobs for high-skilled workers? Explain.*

3. *How has technology made entrepreneurship easier or harder?*

4. *It is reasonable for employers to fire employees for content of their blogs, tweets, or posts on social networks? Explain.*

5. *How much privacy is reasonable for an employee to expect in the workplace?*

All questions require short answers, no more than one paragraph and submitted in Blackboard in MS Word or Adobe pdf file format. Each question is worth 20%
